The American Samoa Alliance against Domestic & Sexual Violence, in partnership with the Tafuna Community Health Centers, GCASAFV, and PIPCA presents...

Addressing and Responding to Intimate Partner Violence & Human Trafficking in Community Health Centers across American Samoa & the Pacific Region

8:00AM to 12:00PM, Registration at 8:00AM

Wednesday July 24th, 2019

Naumati Board Room, Tradewinds Hotel, Ottoville Tafuna

This training will focus on the trauma-informed evidence-based curriculum by FUTURES Without Violence, on addressing and responding to intimate partner violence and human trafficking (HT) in community health centers. The curriculum explores: support for staff/capacity building and self-care: and dynamics and health impact of DV/HT.

Integrating Health Services into Domestic Violence (DV) Agencies & Community-Based Organizations across American Samoa

8:00AM to 12:00PM, Registration at 8:00AM

Thursday July 25th, 2019

Naumati Board Room, Tradewinds Hotel, Ottoville Tafuna

This training will focus on the trauma-informed approach to integrate health assessment into DV agencies and other community-based organizations. The curriculum explores: support for staff/capacity building and self-care: health impact of DV/HT: about health centers and partnerships: and new approaches to incorporate health assessment

To register, call 699-0272 or email judym.asadsv@gmail.com

**Guam Coalition Against
Sexual Assault &
Family Violence**

This training is part of a national initiative, Project Catalyst II, focused on fostering intimate partner violence (IPV), human trafficking (HT), and health leadership and collaboration at the U.S. state/territory level to improve the health and safety outcomes for survivors of IPV and HT and to promote prevention. Three leadership teams from Colorado, Guam, and North Carolina consist of leaders from each state/territory's Domestic Violence Coalition, Primary Care Association, and Department of Health/Human Services. Project Catalyst II is funded by U.S. Department of Health and Human Services agencies: Health Resources and Services Administration (HRSA) Bureau of Primary Health Care; the HRSA Office of Women's Health; and the Administration for Children and Families' Family and Youth Services Bureau. In person training and technical assistance is provided by Futures Without Violence, with evaluation provided by the University of Pittsburgh.
