## April is Sexual Assault Awareness Month (SAAM):

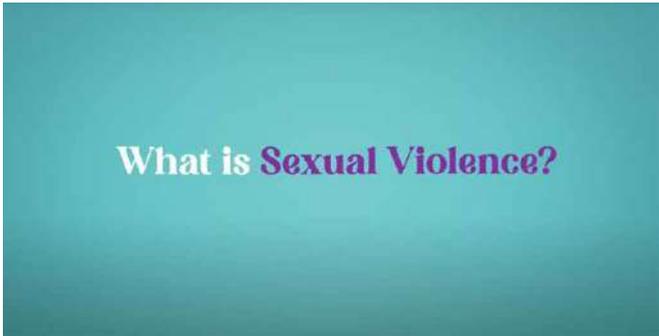

Sexual Assault Awareness Month

The SAAM theme this year is ***Drawing Connections: Prevention Demands Equity***, highlighting the call for all individuals, communities, organizations, and institutions to change ourselves and the systems surrounding us to build racial equity and respect.

Each year during the month of April, SAAM is recognized Nationwide. State, territory, tribal and community-based organizations, rape crisis centers, government agencies, businesses, campuses, and many volunteers plan events and activities to highlight sexual violence as a public health, human rights, and social justice issue. Together, communities and organizations advocate awareness and prevention.

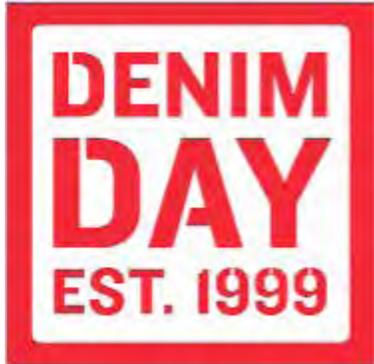

**GuamTalks Productions**, a three-part series on Sexual Violence, Teen Dating Violence and Cyberbullying. Each episode features information on understanding the topics, knowing how to help a friend dealing with the issue, and how to help yourself if you are currently experiencing sexual violence, teen dating violence, or cyberbullying.

All GuamTalks Productions can be viewed on GCASAFV's YouTube channel: <https://youtu.be/eolnenqIGqI>

## APRIL HAPPENINGS

### Denim Day is April 26, 2023!

**Let's Wear Denim!** On April, 26, 2023, GCASAFV invites community partners and the island to unite with STRENGTH IN COMMUNITIES to raise awareness on the harmful behaviors and attitudes surrounding sexual violence. Join us in wearing denim and post your denim looks on social media, tag us at #GCASAFV or email us at [info@guamcoalition.org](mailto:info@guamcoalition.org) and we can add your photo.

Over the past two decades, Peace Over Violence, a sexual and domestic violence, intimate partner stalking, child abuse, and youth violence prevention center has championed practicing solidarity and supporting victims by exposing harmful behaviors and attitudes related to sexual violence.

On Denim Day, which takes place on the last Wednesday in April — April 26 this year — we stand in solidarity with sexual assault survivors and victims. Denim Day started as a campaign against sexual assault apologists. In the summer of 1998 in Italy, an 18-year-old girl was raped by her 45-year-old driving instructor. One year later, the perpetrator was released after the court overturned his sentence. He appealed that the girl had had 'consensual' sex with him because she was wearing tight jeans that could have only been taken off with her help. The next day, Italian women showed up in jeans to their workplaces as a way to protest the absurdity of the overturned sentence.

### April is National Child Abuse Prevention Month!

During the month of April, we recognize National Child Abuse Prevention Month (NCAPM) and the importance of communities working together to help families thrive and prevent child maltreatment. Throughout the year, communities are encouraged to increase awareness about child and family well-being and work together to implement effective strategies that support families and prevent child abuse and neglect.

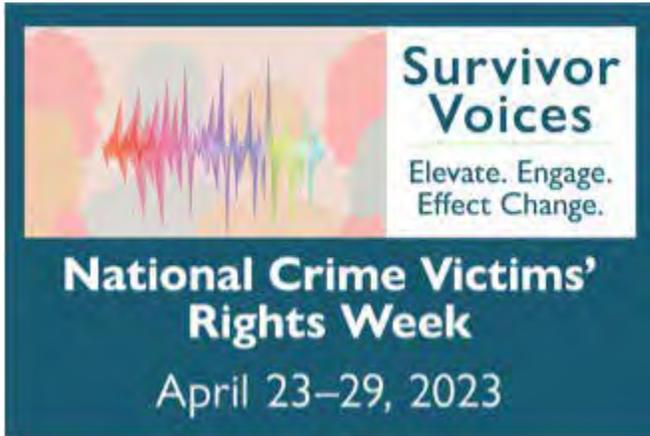

NCAPM and other Federal child abuse-related activities are authorized by the Child Abuse Prevention and Treatment Act (CAPTA). CAPTA provides funding to States to support prevention, assessment, investigation, prosecution, and treatment of child abuse and neglect. It also provides grants to public agencies and nonprofit organizations, including American Indian Tribes and Tribal organizations, for demonstration programs and projects.

### National Crime Victims' Rights Week (April 23-29, 2023)

This year, the National Crime Victims' Rights Week (NCVWR) will be observed from **April 23, 2023, to April 29, 2023**. NCVWR has been regarded as a time to recognize all victims or crime, the achievements in victim services and allied professions, and commemorate those who have gone above and beyond their services to others. It is a time to remember crime victims and survivors! The office for Victims of Crime leads communities throughout the United States in the annual observance of NCVWR.

The theme this year is **Survivor Voices: Elevate. Engage. Effect Change**. This year's theme calls upon communities to amplify the voices of survivors and commit to creating an environment where survivors have the confidence that they will be heard, believed, and supported.

### April is Autism Awareness Month

April has been designated as Autism Awareness month with the goal of raising awareness and acceptance of those who have been diagnosed with Autism. Autism is a disorder that affects the brain and poses challenges in a person's ability to communicate, respond to environment, and create relationships. In raising awareness of what autism is and the daily challenges individuals living with autism face, there is the hope of increased understanding, acceptance, and support for them and their families.

This year's theme is **See Their True Color - Accept and Support Autism**. In celebration of Autism Awareness Month, Guam's Autism Community Together (ACT), has a planned month of events to spread awareness and gathering the island community in their efforts.
