Hafa Adai!

The Guam Coalition Against Sexual Assault & Family Violence (GCASAFV) focuses on ensuring that our communities are safe, healthy and violence-free. With the recent announcement by our Governor of Guam declaring a state of emergency to respond to novel coronavirus (COVID-19) and the news of COVID-19 confirmed cases on our island, registration for the GCASAFV training has been closed.

We are closely watching the news for directives from our leaders, as I'm sure you are, too, and currently assessing alternative ways to provide the information that our presenters are ready to share. Now more than ever, services you provide are critical to victims/survivors of sexual assault and family violence. And, addressing the needs of your employees, your co-workers, your volunteers, yourselves, and all CAREgivers during this time are just as important. We are all in this together...and together, *we've got this Guam!*

Updates will be posted on our website and on our Facebook page. We will also post resources that may be helpful to you and your organization. If you have specific questions or concerns, please email us at info@guamcoalition.org.

In community,

Cynthia Cabot
Executive Director
