NATIONAL CONFERENCE ON

# HEALTH AND DOMESTIC VIOLENCE

September 26-28, 2017 | San Francisco

The 8th National Conference on Health and Domestic Violence will present the most recent research and promising clinical, advocacy and public health responses to domestic & sexual violence.

## Join more than 1,000 attendees for 3-days of activities:

**Sept 26th:** Featuring sixteen intensive (3.5 hour) Pre-Conference Institutes with topics ranging from Trauma Informed Care, Labor and Sex Trafficking, Health Policy, ACEs, and Campus Sexual Violence Prevention

**Sept 27th-28th:** Two day conference featuring 400 speakers, 200+ presentations, 175+ posters, plenary and keynote sessions, an evening reception, exhibit hall with resource tables and posters, hosted networking opportunities and artist performances.

*Who should attend: violence prevention advocates, health care providers, health policy leaders, mental/behavioral health providers, researchers, evaluators, social workers, students, survivors, home visitors, and other allied professionals.*

**CME/CEU available for many professions!**
