

GALA INC. PRESENTS

THE LEGACY PROJECT

GALA is pleased to announce a 5-week session support group for our LGBTQ+ community on island. Key figures in our community will be facilitating culturally appropriate discussions revolving around cultural, spiritual, and political topics that affect our unique experiences on Guam. There will also be engaging and fun activities that support a behaviorally healthy and more balanced quality of life. Be prepared to meet like-minded individuals, find support, and navigate life together.

LAUNCH DATE
